

## TEFL Teaching Resources 2022/23

Herein, you will find a wealth of information for your career as an English as a Second Language (ESL) teacher. Resources like lesson plans, supplementary ESL courses for your continuing professional development and much advise, pointers to get you started with a job ASAP.

However, before you start any course below you must complete your basic certificate course, The 120-hour TEFL online theory course.

Then, it is recommended, you take some practical training with the 20-hour TEFL Practical course, before enrolling in any course below. [View more on the 20-hour practical below or here](#)
