

TEFL South Africa

TEFL / TESOL Online Course certification & Practical Teacher Training

A TEFL (Teach English as a Foreign Language) or TESOL (Teach English as a Second or Other Language) certification is an internationally recognized qualification designed for native or proficient English speakers to teach the English Language to non-English speakers

Teach English to young learners and adults.

Employers require ESL (English as a Second Language) teacher applicants to be TEFL qualified, regardless of other qualifications. A certificate in TEFL / TESOL means the you have acquired the knowledge and professional TEFL skills to teach ESL English to young learners and adult student clients.

Gain the skills to teach ESL abroad and online

A TEFL certification prepares you to effectively plan and teach both system lessons (grammar and vocabulary) and skills lessons (reading, listening, writing and speaking).

The TEFL course will also prepare you to teach different age groups, cater to different learning styles and maximise students communicative learning opportunities

A TEFL qualification to teach English anywhere in the world.

The 120-hour TEFL course is the minimum course hours school employers request in order to secure a teaching position as an ESL (English as a Second Language) teacher abroad or online. It is advisable to supplement this with the 20-hour practical course.

If you plan to teach abroad, some countries require the ESL teacher to have a degree, in any field, in addition to the TEFL certificate. The degree is a criteria of government work visa rules that apply to foreigners.

There are many other destinations around the world that do not require a degree. You can teach in these countries with a temporary work visa for up to a year or more at a time. Many will convert your visa to a work visa for longer contract periods. View [No-Degree countries](#) that only require a TEFL qualification to teach English as a Foreign Language.

Gain your TEFL qualification online

A convenient, flexible and inexpensive way to earn a TEFL certification.

The online course is offered year-round with no fixed start dates. It is designed to offer flexibility to learn and complete lessons at your own pace and eventually gain your teaching qualification.

The "120-hour" online course usually takes between 3 to 4 weeks to complete. Study and learn TEFL skills anytime, anywhere at your own pace on any device.

The 140-hour Combined TEFL course

The Combined course prepares new TEFL teachers with practical skills and resources that can only be delivered by a professional teacher trainer in a classroom.

It offers the student TEFL teacher the essential 120-hour online course and a 2-day weekend practical course program. Recommended regardless of experience or qualifications.

Deliver your lessons as a professional TEFL teacher with confidence.

What will you learn in a TEFL course?

- ✓ **Teach English Language Systems and Skills.**
Teach the five major elements of language learning: grammar and vocabulary, reading, writing, speaking, listening and pronunciation.
- ✓ **Simplify English Grammar.**
